Speaker CDs given to the committee have been put in a Google drive file. If we have your email, it has been sent to you.

Please fill out Speaker Criteria & Evaluation forms for each speaker you hear. If you haven't been to a Program Committee meeting, you may provide us with an e-mail and help in the selection process. Keep it simple: **this is only for main speakers**, not workshop speaker (s) (more will be revealed in that area). For any questions or comments, please refer them to contact members listed above.

The main speakers for the RGRCA XXX will be announced on the November 11 Convention committee meeting
